

-  Margaret Sanger wrote, "We do not want word to go out that we want to exterminate the Negro population"¹ in a letter that she sent to Clarence Gamble in which she was outlining her "Negro Project"² wherein she wanted to convince blacks to have fewer children and provide them with contraceptives.
-  Sanger considered Blacks, Hispanics, and others to be "a menace to civilization."³
-  Sanger herself proposed that dysgenic groups (those with "bad genes") be given their choice of sterilization or lifelong segregation in work camps.⁴
-  Planned Parenthood has never condemned Margaret Sanger for her writings; rather they honor her. Every year, Planned Parenthood gives awards to those who support and encourage their agenda. The top award given is *The Margaret Sanger Award*.⁵

GOD CREATED YOU FOR A PURPOSE.

The purpose God created you for is to live to glorify Him, and enjoy Him forever. Most people never realize this purpose in their lives however, because they squander their lives on their own self-centered pursuits.

God makes it clear in His Word that a man must repent of (turn from) his sin and put faith (believe) in Jesus Christ in order to obtain forgiveness of his sins and come into right-standing with Him. Only then will you be able to realize God's purpose for your life.
