

George Soros - The Most Evil Man In Existence?

By Steve Kroft ('60 Minutes') 5-30-16

This explanation should clear up why our country has rapidly gone downhill in the last 7 years and who are responsible. The article below is written by Steve Kroft, the famed '60 Minutes' journalist. Please read and pass it along...

Steve Kroft (born August 22, 1945) is an American journalist and a longtime correspondent for "60 Minutes". His investigative reporting has garnered him much acclaim, including three Peabody Awards and nine Emmy awards, one of which was an Emmy for Lifetime Achievement. You can understand what is happening to our America after reading this.

May God have mercy upon our nation.

Glen Beck has been developing material to show all the ties that George Soros has through the nation and world along with his goals. This article is written by Steve Kroft from "60 Minutes". It begins to piece together the rise of Obama and his behavior in leading the nation along with many members of Congress (in particular the Democrats, such as the election of Pelosi as the minority leader in Congress).

If you have wondered where Obama came from and just how he quickly moved from obscurity to President, or why the media is "selective" in what we are told, here is the man who most probably put him there and is responsible.

He controls President Obama's every move. Think this is absurd? Invest a few minutes of your time and read this. You won't regret it.

Who is Obama? **Obama is a puppet** and **here is the explanation of the man or demon that pulls his strings.**

It's not by chance that Obama can manipulate the world.

After reading this and Obama's reluctance to accept help on the oil spill you wonder if the spill is part of the plan to destroy the US ?

"In history, nothing happens by accident. If it happened, you can bet someone planned it."

~ Franklin Delano Roosevelt

Who Is George Soros? He brought the market down in 2 days. Here is what CBS' Steve Kroft's research has turned up. It's a bit of a read, and it took 4 months to put it together.

"The main obstacle to a stable and just world order is the United States of America ."

~ George Soros"

One Evil Human

György Schwartz, better known to the world as George Soros, was born August 12, 1930 in Hungary. Soros' father, Tivadar, was a fervent practitioner of the Esperanto language invented in 1887, and designed to be the first global language, free of any national identity. **The Schwartz's, who were non-practicing Jews, changed the family name to Soros,** in order to facilitate assimilation into the Gentile population, as the Nazis spread into Hungary during the 1930s.

When Hitler's henchman, Adolf Eichmann arrived in Hungary, to oversee the murder of that country's Jews, **George Soros ended up with a man whose job was confiscating property from the Jewish population.** Soros went with him on his rounds.

A blog you might want to keep an eye on is SorosWatch.com. Their mission: "This blog is dedicated to all who have suffered due to the ruthless financial pursuits of George Soros. Your stories are many and varied, but the theme is the same: **the destructive power of greed without conscience.** We pledge to tirelessly watch Soros wherever he goes and to print the truth in the hope that he will one day be made to stop preying upon the world's poor, that justice will be served."

Back to America. **Soros has been actively working to destroy America from the inside out for some years now.** People have been warning us. Two years ago, news sources reported that "Soros [is] an extremist who wants open borders, a one-world foreign policy, legalized drugs, euthanasia, and on and on. This is off-the-chart dangerous. In 1997 Rachel Ehrenfeld wrote, "Soros uses his philanthropy to change or more accurately deconstruct the moral values and attitudes of the Western world, and particularly of the American people". His "open society" is not about freedom; it is about license. His vision **rejects the notion of ordered liberty,** in favor of **a PROGRESSIVE ideology of rights and entitlements.**

Perhaps the most important of these "whistle blowers" are David Horowitz and Richard Poe. Their book, "The Shadow Party", outlines in detail how **Soros hijacked the Democratic Party, and now owns it lock, stock, and barrel.** **Soros has been packing the Democratic Party with radicals, and ousting moderate Democrats for years.** The Shadow Party became the Shadow Government, which recently became the Obama Administration.

Discover The Networks.org (another good source) writes, "By his [Soros'] own admission, he helped engineer coups in Slovakia, Croatia, Georgia, and Yugoslavia. When Soros targets a country for "regime change," he begins by creating a shadow government, a fully formed government-in-exile, ready to assume power when the opportunity arises. The Shadow Party he has built in America greatly resembles those he has created in other countries prior to instigating a coup."

November 2008 edition of the German magazine, "Der Spiegel," in which Soros gives his opinion on what the next POTUS (President of the U. S.) should do after taking office. "I think we need a large stimulus package." Soros thought that around 600 billion would be about right. Soros also said that **"I think Obama presents us a great opportunity to finally deal with global warming and energy dependence. The U.S. needs a cap and trade system with auctioning of licenses for emissions rights."**

Although Soros doesn't (yet) own the Republican Party, like he does the Democrats, **make no mistake, his tentacles are spread throughout the Republican Party as well.**

Soros is a partner in the Carlyle Group where he has invested more than 100 million dollars. According to an article by "The Baltimore Chronicle's" Alice Cherbonnier, the Carlyle Group is run by **"a veritable who's who of former Republican leaders,"** from CIA man, Frank Carlucci, to CIA head and ex-President George Bush, Sr.

In late 2006, Soros bought about 2 million shares of Halliburton, Dick Cheney's old stomping grounds. When the Democrats and Republicans held their conventions in 2000, Soros held Shadow Party conventions in the

same cities, at the same time. In 2008, Soros donated \$5,000,000,000 (that's Five Billion) to the Democratic National Committee, DNC, to insure Obama's win and wins for many other Alinsky trained Radical Rules Anti-American Socialist. George has been contributing a billion plus to the DNC since Clinton came on the scene.

Soros has dirtied both sides of the aisle, trust me. And if that weren't bad enough, he has long held connections with the CIA. And I mustn't forget to mention Soros' involvement with the MSM (Main Stream Media), the entertainment industry (e.g. he owns 2.6 million shares of Time Warner), and the various political advertising organizations he funnels millions to. In short, George Soros controls or influences most of the MSM. Little wonder they ignore the TEA PARTY, Soros' NEMESIS.

As Matthew Vadum writes, "The liberal billionaire-turned-philanthropist has been buying up media properties for years in order to drive home his message to the American public that they are too materialistic, too wasteful, too selfish, and too stupid to decide for themselves how to run their own lives."

Richard Poe writes, "Soros' private philanthropy, totaling nearly \$5 billion, continues undermining America's traditional Western values. His giving has provided funding of abortion rights, atheism, drug legalization, sex education, euthanasia, feminism, gun control, globalization, mass immigration, gay marriage and other radical experiments in social engineering."

Some of the many NGOs (Non-Government Organizations) that Soros funds with his billions are: MoveOn.org, the Apollo Alliance, Media Matters for America, the Tides Foundation, the ACLU, ACORN, PDIA (Project on Death In America), La Raza, and many more. For a more complete list, with brief descriptions of the NGOs, go to DiscoverTheNetworks.org.

Without Soros' money, would the Saul Alinsky's Chicago machine still be rolling? Would SEIU, ACORN, and La Raza still be pursuing their nefarious activities? Would big money and lobbyists still be corrupting government? Would our college campuses still be retirement homes for 1960s radicals?

America stands at the brink of an abyss, and that fact is directly attributable to Soros. Soros has vigorously, cleverly, and insidiously planned the ruination of America and his puppet, Barack Obama is leading the way.

The words of Patrick Henry are apropos: "Is life so dear, or peace so sweet, as to be purchased at the price of chains and slavery? Forbid it, Almighty God! I know not what course others may take, but as for me, give me liberty, or give me death!" -----

Above information researched by CBS Steve Kroft

"The democracy will cease to exist when you take away from those who are willing to work and give to those who would not."

-- Thomas Jefferson

If you have read this to the end, and you are a true patriotic American, then you will not have a problem forwarding it.

P.S. Today (01/18/2016) it appeared on the web that Soros is about to purchase the two largest Coal Mining operations in the country for pennies on the dollar, which are filing bankruptcy.... which Obama SAID he was going to cause them to do....just before his first Term in office began. Remember that?

God Bless America
