

# Why Our President Sucks

9/5/2020

Nobody should go to jail for cruelty to animals.

Pharmacists shouldn't share money-saving options on medicine – it screws the Insurance Industry.

Trump signed the "Save Our Seas Act" – we don't need to waste money on cleaning the oceans.

He signed a bill for airports to provide breast-feeding stations for nursing moms – what a waste!

He signed the wilderness protection and conservation bill – we don't need ANY protected land?

He made a gay man the ambassador of Germany – what an idiot!

He kept most every campaign promise and fought Congress the whole way- now he's hated by them.

He works for free, donating his salary to his favorite charities – probably just for the tax deductions.

He's shown more favoritism for the black community than any other President.

He and senator Scott and passed "Invest In Opportunity Zones" – it gives preference to minorities.

He passed prison reform, which gives preference to criminals and the black communities?

He passed VA reforms – those people knew what they were getting into when they joined.

He's signing new trade deals that are not helping our Allies a bit.

He says he loves his flag and country – who's he kidding? He's ignoring those with real complaints.

He claims most of the Media are Fake News - we KNOW they are just telling the truth about him.

He's ending wars – and it's killing our economy.

He's committed to end child-trafficking and crimes against humanity – just Right-Wing baloney.

He's brought home over 40 Americans held captive, the last one from Iran – they were all traitors.

He thinks he was right about the Deep State and being spied on – they were just protecting us.

He's a Billionaire – bought the Presidency - and now he's spending it all on Right-Wing B.S.

He's insulting & throwing away our Allies by making them pay their fair share for our protection?

He respects cops, veterans, ICE & First Responders – these guys are the source of our problems?

He won't send American Jobs to other countries – how will we keep any Allies?

He says he loves America and puts Americans first, but all this shows it is just B.S.

He says the ones who help our Allies: SELL OUT America to line their pockets, OWN THE MEDIA and HOLLYWOOD, and hate him because the people can't see they are just trying to Help America.

By putting the PEOPLE first, he is manipulating our thinking and trying to control the information we get so we won't hate him?

These people are The BRAINS of the USA – of course they hate the man trying to stop them.

Why should they give up their wealth and not be able to continue through mass taxation and control?

Why would anyone want to RESEARCH this? It's STUPID!

There are 65,000,000 Americans that Believe him! Idiots!

He claims he's done more for blacks in the last 20 years than our last 5 Presidents put together and is actually NOT a racist - but we KNOW that's Bull Doodoo. Lyndon Johnson started all the welfare programs that saved our Blacks – and every Democrat President since him has helped even more.

Wow – can you believe our President encouraged America to inject bleach?

He's as stupid as a rock - and if you ever believe he's not, our True Leaders will lose billions of dollars and ALL their control. We have to continue what we've believed to be true for most of our life.

This man is fighting against our Future - Progressivism & Socialism .

We need to continue to support the hatred and separation... even in families!

Don't agree with even a "part" of HIS agenda!

We must repeat our FULL belief system - insults and name-calling will help stop those that want to "think DIFFERENTLY-for themselves". It's got to be: **All or nothing!**

We despise LAW AND ORDER- President Trump supports it – it goes against all we believe in.

We need to get rid of this guy.
