

Rush Limbaugh WAS a member of the CFR

3-2-2016

(at least dating back to May 2001 – he no longer appears on CFR's list)

Tony Snow, a substitute host for Limbaugh's show is PRESENTLY a member of the CFR.

Rush has claimed that the CFR does not exist!

That's how the CFR works – get people that are well known to slowly, stealthily, introduce Demagoguery, Lies & Misinformation - so that EVENTUALLY they will get YOU to Vote for the very people that mean to CONTROL you.

Barbara Walters is a member

Limbaugh defends Heidi Cruz – she is a high level Executive with Goldman-Sachs, works with the CFR (was rep of Goldman-Sachs – worked with NAA), with the North American Agreement, he (TED CRUZ) worked for George Bush for 3 years and wanted to have more H-1B Visas 2 years ago.

That doesn't sound very Conservative to me.

Washington times - Rush Limbaugh is right: Ted Cruz is most-principled candidate

Comment from Publius Huldah:

Heidi Cruz was on the Task Force for the Council on Foreign Relations which drew up the plan for the North American Community which will meld Canada, the US and Mexico into one Community. They even propose a PARLIAMENT for this new Community! One of their goals is the free flow of persons and goods between Mexico, the US, and Canada.

So when Ted Cruz promised that he would control the border between the US and Mexico, his Wife was already in the scheme to erase the border!

Principled?

Good God - are we too stupid to be free?

It appears so.

You can read the Report for the "North American Community" at the website for the Council on Foreign Relations. I suggest you do read it. And think about how the European Union has worked out. Bureaucrats in Belgium determine how many Muslim immigrants the member countries will take.

“**HEIDI S. CRUZ** is an energy investment banker with Merrill Lynch in Houston, Texas. She served in the Bush White House under Dr. Condoleezza Rice as the Economic Director for the Western Hemisphere at the National Security Council, as the Director of the Latin America Office at the U.S. Treasury Department, and as Special Assistant to Ambassador Robert B. Zoellick, U.S. Trade Representative. Prior to government service, Ms. Cruz was an investment banker with J.P. Morgan in New York City.”

Condoleezza is a member of the CFR.

All the usual TRAITORS – working toward a ONE-WORLD-GOVERNMENT,
where **YOU, I and everybody else will give up our Sovereignty and our GOD-given RIGHTS.**

Guess who else has been receiving money from AmeriGroup Corporation?

Yep, my EX-opponent (Senator Fran Millar Ga R-40thSD)!

On Sept. 30, 2015 a campaign donation, and again in Jan. of 2016, a primary donation.

Looks like my opponent, and **Sen. Renee Unterman** are involved in the same problems aired on 11 Alive News. Something's fishy here!
